WELCOME!

Empower! Let's Provide
Quality Education For Our Children.

WHAT WE PROVIDE IN THIS COURSE

At AMT International Aviation & Logistics Academy, we offer a well-structured and industry-relevant curriculum designed to prepare students for real world careers. Each course includes hands-on training, industry visits, and live simulations to build practical experience. Our programs cover aviation operations, cargo handling, hospitality services, travel and tourism management, and logistics planning. In addition, students gain soft skills training, language development (English, German, Hindi), and professional grooming ensuring they graduate career-ready and confident to join top global employers.

Our courses are designed with international standards in mind, offering certifications from globally recognized boards including IATA and the American Board of Examinations. We combine classroom learning with airport tours, hotel internships, warehouse walkthroughs, and live project work, giving students a 360° exposure to their chosen field. With expert faculty, modern infrastructure, and personalized mentorship, AMT ensures that every student is equipped not just with a certificate but with the skills, confidence, and experience to thrive in today's competitive job market.

Connecting skies and supply chains
shaping the future of global movement

MEET OUR TEAM

DR. MOHAMMED ALI AL ARADI (CEO)

He is the respected Director of AMT International Aviation & Logistics Academy, bringing with him a wealth of leadership and business experience. He is also the Director of Al Mouna Mohammed Ben Establishment in Dammam, and the founder of Al Mas Apartment and Hotel in Jeddah, Saudi Arabia. Known for his visionary leadership and strategic development skills, Dr. Al Aradi plays a key role in expanding the Academy's global reach and maintaining high standards of academic excellence.

DR. AHAMED MASOOD THETTATH (DIRECTOR)

He is expert in import, export, airline, and logistics operations. He is the founder of several successful ventures including Bintah Al Haaya Foodstuff (Saudi & UAE), AMT Foodstuff (Saudi & Dubai), Rukun Thayil Building Materials (Sharjah), and Emil Faaz Export & Import (Mannarkkad, India). His diverse entrepreneurial background brings strong industry insight and global vision to AMT International Aviation & Logistics Academy.

JOSPHIN FRANCIS (ASSISTANT DIRECTOR/PRINCIPAL)

A highly dedicated academic and industry professional with strong expertise in Aviation, Hospitality, Logistics, and Airport Operations. She is committed to shaping confident, career-ready students through quality education and practical, industry-oriented training. With hands-on experience and deep knowledge in airport procedures, passenger handling, customer service, and service excellence, she aims to empower students with the skills, discipline, and confidence required to excel in competitive global service industries and become responsible, dynamic professionals.

Steps to a Better Future At AMT International Aviation & Logistics Academy, we guide students step-by-step toward a successful career through a balanced mix of academic excellence, skill building, and personal growth. Here's how we help shape a better future:

HOSPITALITY EXCELLENCE

We train students in world-class hospitality practices including front office operations, housekeeping, concierge services, and customer relations. Through internships and simulated hotel environments, students gain real-time experience to confidently serve in hotels, resorts, airlines, and cruise lines.

PERSONALITY DEVELOPMENT

Our dedicated personality development program focuses on communication skills, grooming, body language, teamwork, and leadership. We believe personality is key to professional success, and we equip students to present themselves with confidence, clarity, and charisma in any workplace.

EDUCATION AND TEACHING

We offer more than just academics—we deliver a career-oriented curriculum that blends theory with practical training. With specialized diplomas, BBA, and MBA programs in Aviation, Logistics, Travel & Tourism, and Hospitality, students receive a comprehensive education that meets global industry demands.

WHY CHOOSE AMT INTERNATIONAL AVIATION & LOGISTICS ACADEMY?

At AMT International Aviation & Logistics Academy, we are committed to shaping future professionals with a global vision and practical skills. What sets us apart is our international accreditation from the American Board of Examinations, California, ensuring that every certification holds global value. Our curriculum is carefully designed by experts in aviation, logistics, and hospitality to meet the dynamic needs of today's industries. Students benefit from an aviation-themed campus equipped with modern classrooms, digital tools, and real world simulations. Led by an experienced team of educators and industry leaders, we provide hands on training along with personalized mentorship. We proudly offer guaranteed placement support through our strong partnerships with leading airlines, logistics companies, airports, and hotel chains across India and the Gulf. With additional advantages such as language training in English, German, and Hindi, up to 30% scholarships, and bank loan assistance, AMT is not just a college it's a launchpad for your global career.
